This third option is using the governments purchasing power aligned with the purchasing power of those in the private sector to ensure that we put our ef-forts behind these innovative and transformational opportunities. We are doing this in four areas: First, the physician self-referral exception and the anti-kickback safe harbor. Our priority here is to take urgent action and to make sure that what we do is clear and narrow, that we are linking the exceptions and the safe harbors to proven technologies that have direct benefit to consumers. Secondly is the actions of the Office of Personnel Management. This week, the Office of Personnel Management published its car-rier letter instructing health plans about what needs to be done to access Federal Employees Health Benefits Programs. This call let-ter included health IT capabilities, and it included how health plans are expanding their support for health IT and what the busi-ness plans are that they are pursuing for accelerating health IT adoption in the market areas they serve. We are also pushing this through pay for performance in the 646 and 649 demos that you know so well. Also, we are continuing the beta testing of vista office electronic health records ( EHR ). We do see a limited role for this supporting the safety net. It has substan-tial testing underway and efforts to make sure that it conforms with Health Insurance Portability and Accountability Act (...)
