Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 221 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. Six Legs and a Leash is a delightfully told story of how God has used Judy Brown and Reggie, her giant schnoodle, to minister to others. No bones about it, ministry with a 120-pound dog isn't without its challenges. Their story is funny, moving, and inspiring as they take a message of hope and encouragement to patients in hospitals, residents of nursing homes, and children in the worship services of Judy's home church. I highly recommend this book. It shows how God can use those who are willing to leave their comfort zone and follow his call. Charles Kirkpatrick, founder and president, Sermons 4 Kids, Inc. Six Legs and a Leash tells the uplifting story of the making and mission of a canine/human partnership and the people whose lives Reggie and Judy touched. The therapeutic power of animals to bring a smile and brighten a day is only one of the lessons you will learn from this memoir and guide. Fred Graham, former chief anchor for Court TV, law correspondent for CBS News, legal writer for The New York Times. Judy Brown began writing almost as soon as she could hold a pencil. She continued to document her life events while attending the University of Kentucky, where she majored in journalism. In addition to her free-lance writing, which resulted in publication in several magazines, Judy has worked as a feature writer for two daily newspapers and as the vice president of marketing for a local bank. Six Legs and a Leash is her first book.
