Counting Heads

By David Marusek

St Martin's Press. Paperback. Book Condition: new. BRAND NEW, Counting Heads, David Marusek, "Counting Heads" is David Marusek's extraordinary launch as an SF novelist: The year is 2134, and the Information Age has given rise to the Boutique Economy in which mass production and mass consumption are rendered obsolete. Life extension therapies have increased the human lifespan by centuries. Loyal mentars (artificial intelligences) and robots do most of society's work. The Boutique Economy has made redundant ninety-nine percent of the world's fifteen billion human inhabitants. The world would be a much better place if they all simply went away. Eleanor K. Starke, one of the world's leading citizens is assassinated, and her daughter, Ellen, is mortally wounded. Only Ellen, the heir to her mother's financial empire, is capable of saving Earth from complete domination plotted by the cynical, selfish, immortal rich, that is if she survives. Her cryonically frozen head is in the hands of her family's enemies. A ragtag ensemble of unlikely heroes join forces to rescue Ellen's head, all for their own purposes. "Counting Heads" arrives as a science fiction novel like a bolt of electricity, galvanizing readers with an entirely new vision of the future.

Reviews

This book is really gripping and interesting. Of course, it is actually perform, still an interesting and amazing literature. You will not truly feel monotony at whenever you want of your time (that's what catalogues are for concerning when you request me).

-- **Claud Schaden**

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
