Virgilia Kaur Pruthi, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Immigration has always been part of the fabric of America s history and its future. In An Immigrant s Guide to Making It in America, Virgilia Kaur Pruthi reveals why this is the best time in modern US history for young immigrants to begin making their mark by highlighting the stories of a diverse set of those who ve made it in America. Filled with practical advice on how to navigate the immigration system and tip for adjusting to US culture and understanding the visa process, the book gives readers the knowledge they need to succeed. An Immigrant s Guide to Making It in America presents a complicated process in an accessible format and is useful for the recently immigrated as it is for those long in the United States, looking for inspiration in the stories of their new peers. I wrote this book for those looking to understand what it takes to succeed in America, Kaur Pruthi writes. It is meant to follow you through your time as a student, a job-seeker, a family-starter, and a hopeful candidate for a green card and citizenship. It also tells the stories of immigrants who came to America,...
