

The History of England from the Norman Conquest to the Death of John (1066-1216) (Paperback)

By George Burton Adams

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. We, conquered by William, have liberated the Conqueror's land. So reads the memorial to the British war dead at Bayeux, Normandy. Commemorating those who gave their lives to free France in 1944, it also serves to remind people of an earlier conflict. For the English, the Norman conquest remains deeply embedded in the national psyche. As the last contested military invasion to have succeeded in conquering this proud island nation, the date of 1066 is the one every citizen can remember. For them, William will forever be the Conqueror, the last invader to beat them in an open fight. For others, notably the French, he is the Bastard, a reference not only to his lineage. William's conquest of the island arguably made him the most important figure in shaping the course of English history, but modern caricatures of this vitally important medieval figure are largely based on ignorance. William is a fascinating and complex figure, in many ways the quintessential warrior king of this period. Inheriting the Duchy of Normandy while still an infant and...
