Brand New Book ***** Print on Demand *****.Have you always wanted to learn how to speak the Arabic dialect of the United Arab Emirates but simply didn't have the time? Well look no further. You hold in your hands the most advanced and revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. However, if you need to actually hold a conversation whilst on a trip to Dubai, Abu Dhabi, or other places in the UAE, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for.
