Overwhelmed: One Woman's Journey with Breast Cancer

By Karen L. Norton

Tate Publishing & Enterprises. Paperback. Book Condition: New. Perfect Paperback. 136 pages. Dimensions: 8.1in. x 5.2in. x 0.4in. You have cancer. No one wants to hear those three words. Especially not twice. To say Karen Norton was Overwhelmed when she first heard she had breast cancer is an understatement. As a wife, a mom to two young girls, and a part-time music pastor supporting her family, she already had enough on her plate. But then came those three ominous words. After catching the cancer early and treatment with radiation and drugs, Karen went into remission, but it was not without a lot of physical pain. And then more devastating news: the cancer came back. This time, her doctors performed a double mastectomy to be sure there were no more cancerous cells. Karen thought she was in the clear. Then she began to have abdominal pain. A CAT scan showed possibly cancerous spots on her liver. After a painful biopsy, the results came back benign. No more cancer! But no more cancer didn't mean perfect health. God would continue to test Karen in other ways. Overwhelmed is a journey of one woman's life of health issues that seemed would never end. Would...

Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

-- **Mariela Stroman**

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
