THE AMERICAN GIRL S HOME BOOK: OF WORK AND PLAY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The American Girl s Home Book: Of Work and Play Long ago, when the writer was young, she owned a little book, consulted with never-flagging enthusiasm, and written by a woman who did the first intelligent and sympathetic work for children ever accomplished in this country. In Mrs. Lydia Maria Child s Girl s Own Book such plays as the more rigorous educational theories of the time allowed, were set forth in order, and there were also sundry small occupations for amusement; the crystallized grasses, alum-baskets, and various ornamental works still to be found in old houses, testifying to the zeal with which her instructions were followed. The little book is now, in many points, as antiquated as if written in the fifteenth, instead of the nineteenth, century; and yet it embodies a plan which has never since been carried out, - that of combining all the occupations, as well as amusements, practicable in a mixed family of all ages and tastes. As yet, though boys are provided for, girls have no book that will be a trustworthy guide, either in work or play; and it is hoped that the present one will fill that long unoccupied niche which many authors have felt it their mission to redeem from emptiness, and become the trusted friend and adviser of all the girls who are uncertain what is best in either work or play.
