Disney Publishing Worldwide, United States, 2014. Hardback. Book Condition: New. 208 x 147 mm. Language: English . Brand New Book. For Phoebe Plumm, life in Meridian revolves around trading pranks with irksome servant Micah Tanner and waiting for her renowned father, Dr. Jules Plumm, to return home. Chief surveyor for the Foundry, a global corporation with control of metal production and technology, Phoebe s father is in the field for months at a time. But when a sudden and unexpected reunion leads to father and daughter s being abducted, Phoebe and would-be hero Micah find themselves stranded in a stunning and volatile alien world-one that has been ruthlessly plundered by the Foundry for centuries and is the secret source of every comfort and innovation the two refugees have ever known. Cam Baity and Benny Zerkowicz have fashioned an intensely inventive, engaging, and thought-provoking tale of two worlds on a collision course and the two young rivals who find themselves on the front line. The Foundry s Edge is the first book in a trilogy that will transport young readers down a mechanical rabbit hole and send them on an adventure that explores the hidden costs of indulgence, the perils of unchallenged nationalism, and the world-altering power of compassion and conviction.
