

The Complete Guide to Building Backyard Ponds, Fountains, and Waterfalls for Homeowners: Everything You Need to Know Explained Simply

By Melissa Samaroo

Atlantic Publishing Group (FL). Paperback. Book Condition: New. Paperback. 288 pages. In todays economy, homeowners are looking for a way to increase the value of their houses in a unique and cost-effective way. According to HGTV, the popular home and garden cable television station, water features are currently among the hottest landscaping trends in the United States. They offer a way to increase a homes resell value and provide a creative outlet for homeowners. Whether you are looking to create a lush outdoor paradise, complete with waterfalls and fish-filled ponds, or you simply want a conservative balcony fountain, this book can show you how to build your own backyard escape no matter your budget. According to the Atlanta-based National Pond Society, there are approximately 9 million pond hobbyists in the United States today. Water features provide a calm oasis for homeowners to visit after a hectic day. Many new in-ground swimming pools are designed around a waterfall or fountain, and homeowners are adding these features to older pools. If building a pool is beyond your budget, consider adding a small stand-alone fountain to partake in this trend. The Complete Guide to Building Backyard Ponds, Fountains, and Waterfalls for Homeowners provides...
