School Directory of South Carolina 1944-45 (Paperback)

By James H Hope

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a directory for all the schools in South Carolina from the years 1944-1945. The directory includes a listing of state personnel, organized by state boards, divisions, departments, and major organizations. State personnel information includes main addresses of institutions, individual names, and phone numbers for staff. The directory also lists contact information for South Carolina area industrial education. This directory includes a section for SC State Department of Education members who were financially supported by the General Education Board of New York, and special programs, such as the Food Production War Training Program and the War Production Training Program. The directory also covers a listing of county and local school personnel including: county superintendents, members of county boards of education, county and district visiting teachers, and Jeanes teachers. The directory includes a listing of elementary and high schools alphabetically organized by county. This listing includes brief school statistics, such as the numbers of students enrolled and the numbers of teachers. The enrollment statistics come from the 1943-1944 school year. The directory also includes a listing of state,...

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

-- **Mr. Rafael Hoeger**

A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.
