THE JOURNEY OF THE DIVA PACK (PAPERBACK)

The Diva Pack is finding this sentiment to be oh so true! Desiree, Tiffany, Samantha and Lauren first formed their tight-knit friendship in college. Now separated by time and distance, they are trying to maintain their closeness and support each other through life s many ups and downs. But will their different lifestyle choices affect their friendships? This first book in the 5-part series introduces you to the divas: Desiree Walker is an up-and-coming, sexy singer and songwriter with a selfish streak a mile wide, yet she fights for those she loves. As she tries to find her big break, will her choices lead to success or disaster? In college, Tiffany Jones was just like most folks. She had an intimate relationship with her boyfriend, plus she used to party, drink and look for a good time. Several years later, Tiffany rededicated her life to the Lord and no longer engages in the same activities. Can her friends accept her new direction? Driven by her passion for interior design, Samantha French is on the fast track at her company to become a vice president. But will her poor choice in men knock her off course? Always wanting to present the perfect image, can Lauren Sinclair-Finch hide the biggest secret of her life? Or will she lose everything, including her marriage, trying to save face? Once these ladies meet up for a girlfriends getaway, the stuff starts to hit the fan. Are their friendships strong enough to remain intact?.
